Re: Project Commencement
Mirvac Residential Development
Cnr Teviot Road & Greenbank Road, Greenbank

Dear Residents and Community Stakeholders,

This letter seeks to provide notice of the upcoming commencement of site works for Mirvac's Greenbank project, introduce ourselves as the appointed civil contractor, and provide contact details.

Our organisation, Shadforth Civil Contractors, has been appointed as the civil contractor for the project. Site establishment works will commence shortly and works proper are anticipated to commence in late March / early April 2018.

While the majority of the first work package will be confined to the Mirvac site, some works will occur in Teviot Road including an upgrade to the Teviot Road / Pub Lane intersection. Construction vehicle access will also be established from Greenbank Road. Such works will be carried out in accordance with approved traffic management plans and Queensland Police Service requirements.

During the construction period Shadforth Civil Contractors will make every reasonable effort to minimise disruption to the local community and will carry out works in accordance with a suite of management plans and in accordance with approval and permit requirements.

If you have any concerns or issues, regarding the construction works please do not hesitate to contact one of the following people;

Company	Title	Name	Phone Number
Shadforth Civil Contractors	Project Manager	Leo Copelin	0408 463 866
Shadforth Civil Contractors	Project Engineer	David Bugden	0408 245 243
Shadforth Civil Contractors	Project Foreman	Bill Squires	0418 713 356

If you have questions about the development generally, please contact Mirvac's dedicated Greenbank community information line: 1300 659 694 or email community.information@mirvac.com.

You can also register for Greenbank project updates by visiting www.greenbank.mirvac.com.

Kind Regards,

Leo Copelin
Project Manager
