# Welcome to Everleigh

## Welcome to our first edition of Everleigh News!

With an active community program right here in our neighbourhood, we are excited to share all that has been happening and what's on offer in and around the local area of Greenbank.

We hope you enjoy learning more about the great community we are building and we look forward to welcoming you to Everleigh!

Warm Regards,  
**Suzanne Guastini**

## Out in the community

We have been out and about in the community, bringing to life some fun and interesting events.

You may have seen our reptile encounters, expert social media talk, nature walk or summer splash water safety event with gold medallist Lorna Tonks. Or even heard how our local community at Greenbank in conjunction with Everleigh raised **\$876.35 for Lymphoma Australia** in May.

Everleigh was also very proud to sponsor the 2017 Greenbank Rural Fire Brigade Christmas fireworks and movie night, and collaborate with **Dazza Fitness, donating \$1200 to Bowel Cancer Australia** with the free 8 week charity boot camp at Greenbank Shopping Centre.

Also being invited to support Greenbank State School at their "Bullying No Way 2018" initiative and the 2017 Grade 6 Graduation, these have been wonderful moments for us in the local community.

We would like to extend our appreciation to all the people and businesses that we have connected with so far. It is such a pleasure to be welcomed, and the Greenbank community spirit around the neighbourhood is uplifting!

**We look forward to continuing to welcome and connect with you all.**

## Meet a local!

Local personal trainer Darren from Dazza Fitness is running **free** Saturday boot camps here in Greenbank each week.

Darren was recognised as Mirvac's and Enriching Communities inaugural Greenbank Community Hero in 2017 for his generosity and commitment to raising funds for Bowel Cancer Australia. He is passionate about giving back to the local community he recently said "I love being a member of such a fantastic neighbourhood and the free boot camps were a way to improve both the health of those within the community and pay it forward to the charity."

You can join in weekly at the **free** Boot Camp sessions for a fun morning of outdoor fitness and connecting with locals from the area. Often the group stays around for a coffee and chat at Gloria Jeans, and children are welcome to come along.

**Day:** Saturdays

**Boot Camp Time:** 7:00am

**Location:** Greenbank Shopping Centre Carpark - Pub Lane, Greenbank

## Orion, our local gem

At Everleigh Greenbank you are spoilt for choice when it comes to entertainment, dining and shopping.

Mirvac's Orion Springfield Central is a gem for our region, with outdoor markets in Main Street and over 180 stores catering for all your shopping needs.

You will love the vibe when dining and catching a movie at Orion, not to mention all the fun the young ones will have at the free outdoor waterplay park that is Robelle!

We at Everleigh encourage you to explore and see for yourself what we love about this nearby great shopping and entertainment destination that truly has something for everyone.

## Development update

We are delighted to announce that construction of the first stage of Everleigh has recently commenced.

The team have been busy planning and refining the design of the development, and we are excited to see our vision for Everleigh coming to life over the coming months.

We will be delivering extensive new community infrastructure in the first stage of the development. This includes the first stage of the regional recreation park, which will be approximately 1.5ha in size. Within this park there will be a junior playground and a community events lawn at approximately 3,600m<sup>2</sup> in size. The early delivery of the first stage of the park will provide exciting new community infrastructure in Greenbank for existing and future residents to connect and enjoy.

The first stage of works will also include a linear park which will run alongside the main entry road. This will provide a relaxing green open space, with walking and cycle paths connecting the key activity nodes of the Greenbank Shopping Centre, new regional recreation park, and planned State Primary School within Everleigh.

The first stage of the development, including the linear park and first stage of the recreation park, is anticipated to be completed by early 2019.

You will see an increase in activity as construction progresses on site over the coming months. **If you have any questions about the construction taking place, or generally about the development, please contact the Community Hotline on 1300 659 694.**
